## About Tuesday's Children

Tuesday's Children provides a lifetime of healing for those whose lives have been forever changed by terrorism or traumatic loss. Through a time-tested, long-term approach, Tuesday's Children programming builds resilience and common bonds in communities worldwide recovering from tragedies; serves and supports U.S. military Families of the Fallen; and keeps the promise to support all those impacted by 9/11.

## About Project COMMON BOND

Tuesday's Children created Project COMMON BOND in 2008 as a unique international program to unite youth from around the globe who have lost a family member to terrorism, violent extremism, or war. This program empowers young adults ages 15-21 impacted by traumatic loss to transform their common experiences into enacting positive action in their lives and communities. Through promoting dignity and teaching conflict negotiation and peacebuilding skills, Project COMMON BOND is building a global network of change makers who are striving towards peace, positivity and empowerment.

Over 700 attendees from 28 countries have attended Project COMMON BOND, but our impact could be so much broader. Help us to grow this program and unite our global community.

Participating countries include: Afghanistan, Algeria, Argentina, Belgium, Columbia, Croatia, England, France, Haiti, India, Indonesia, Ireland, Israel, Kenya, Kosovo, Lebanon, Liberia, Macedonia, Morocco, Nigeria, Northern Ireland, Norway, Pakistan, Palestine, Russia, Spain, Sri Lanka, and US.
