

We provide a lifetime of healing for families forever changed by terrorism, military conflict or mass violence.

### PROVEN PROGRAMS TO MEET EVOLVING NEEDS

Through a time-tested, long-term approach, our programming serves and supports our nation's military families of the fallen; builds resilience and common bonds in communities worldwide recovering from tragedies; while keeping the promise to support all those impacted by 9/11.

### LONG-TERM YOUTH MENTORING

277 children grieving the loss of a military service member were matched with 1:1 supportive adult role models.

### CAREER RESOURCE CENTER

625 participants benefitted from skills-based workshops and career mentoring from 140+ corporate and industry partners.

### TURNING PAIN INTO PURPOSE AND RESILIENCE THROUGH PEER CONNECTIONS

We have served 50,000+ individuals across 20+ U.S. communities and 40+ countries impacted by terrorism, military conflict, mass violence and widescale trauma and loss. Our peer connections promote resilience.

### HEART TO HEART

We welcomed Gold Star moms for a peer retreat in Wisconsin and military surviving spouses from the U.S., France, and Lebanon in Washington, D.C. for Women's World Peace.

### PROJECT COMMON BOND

Since 2008, 1000+ youth impacted by terrorism, mass violence and war from 34 countries have united to build peace. In 2022, we hosted 40+ youth from 11 countries in summer, along with a virtual winter session and two virtual reunions.

### COMMUNITY PREPAREDNESS, RESILIENCE AND LONG-TERM HEALING

We are a trusted resource for communities and families recovering from trauma and loss. Communities are stronger when they are prepared for what lies ahead.

### SURVIVORS OF TRAGEDY OUTREACH PROGRAM (STOP)

This groundbreaking peer coalition of survivors and service providers is guiding individuals and communities newly impacted by tragedies.

### LESSONS IN RECOVERY AND RESILIENCE

800+ attendees at our forum and speaker series witnessed stories of resilience from survivors and experts in disaster response, prevention and long-term healing. 1000+ professionals took part in capacity building, customized trainings and days of service to enhance community resilience, address childhood bereavement and support pandemic response.
